<p>395. The Agents noticed a Ford Explorer pull onto Old Highway 395 from Mission Road. At this point Agent (b)(6) (b)(7)(C) noticed the driver moved his arms from a relaxed position at the bottom of the steering wheel, to a firm grip at the ten'o clock and two o'clock position, maintaining a statuesque position, upon noticing the marked service sedan. Agents (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The agents decided to follow the subjects, as they suddenly turned left onto Rainbow Glen Road, order to observe their unusual behavior. Once on Rainbow Glen, the vehicle quickly accelerated as if he was making an attempt to create distance from the marked sedan. It is common for aliens present in the United States illegally to make sudden turns, in an attempt to avoid detection from law enforcement officers. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) became suspicious the occupants were in violation of immigration law.</p> <p>At this point Agent (b)(6) (b)(7)(C) requested through Murrieta Border Patrol Station Communications Office (b)(7)(E) Dispatch) that the displayed California plate, (b)(6) (b)(7)(C) be checked through Department of Homeland Security (DHS) records database. Suspecting the occupants of the vehicle were in violation of immigration law, the agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Ford. Agent (b)(6) (b)(7)(C) asked all three subjects to state their citizenship. All three admitted to being Citizens of Mexico, present in the United States in Violation of Immigration Law. The Agents then placed the subjects under arrest, and transported them to the Murrieta Station for processing.</p> <p>Processing/Investigation:</p> <p>At the station, a secondary immigration inspection was performed on all three subjects. <p>Magnolia Street. As the Agents were observing traffic headed North on Highway I-15, they noticed a gold Nissan Altima approach their position. As the vehicle passed the agents location, the agents noticed it contained two occupants. Both occupants appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) (b)(7)(C) then pulled into traffic along Highway I-15 and pulled behind the vehicle to gain a better view of the occupants. The Agents pulled along the passenger's side window and noticed both occupants refused to make eye contact with the Border Patrol Agents. At this point the Nissan slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The Nissan was now traveling considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the Nissan, still monitoring the occupants's unusual behavior. While being paced by the Border Patrol Agents, the occupants continued to stare straight forward, refusing to acknowledge that the Agents had been pacing the vehicle for some time. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) became suspicious the occupants were in violation of immigration law. The Agents slowed their sedan and pulled behind the Nissan, in order to run records checks on the license plate. At this point Agent (b)(6) (b)(7)(C) requested through Murrieta Border Patrol Station Communications Office (b) (7)(E) Dispatch) that the displayed California plate, (b)(6) (b)(7)(C) be checked through Department of Homeland Security (DHS) records database. Agent (b)(6) (b)(7)(C) was notified by (b) (7)(E) Dispatch that the vehicle's registered owner is (b)(6) (b)(7)(C) out of Lake Elsinore California. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Nissan. The vehicle yielded North on I-15, just south of Magnolia Street..</p> <p>Agents (b)(6) (b)(7)(C) exited their service sedan, approached the Nissan and identified themselves as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) asked both passengers to state their citizenship. Both freely and voluntarily admitted to being citizens of Mexico, present in the United States illegally. Both subjects were then placed in DHS custody and transported to the Murrieta Border Patrol Station for processing.</p> <p>Vehicle left on scene as per drivers request/ I-43 on file.</p> <p>DISPOSITION</p> <p>At the station, both subjects were entered into the DHS records database for positive identification.</p> <p>(b)(6) (b)(7)(C) (b) (7)(E)</p> <p>(b)(6) (b)(7)(C) was a candidate and participant in the Alien Transfer and Exit Program (ATEP) on 09/03/2011, at the Murrieta Station.</p>

On Wednesday, February 23, 2011, Agents (b)(6) (b)(7)(C) of the Murrieta Border Patrol station were assigned roving patrol duties for the 2:00 p.m. to 10:00 p.m. shift. Agents (b)(6) (b)(7)(C) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public.

At approximately 4:00 p.m., the agents were parked on the side of the road along Old Castle Road and Lilac Road, observing traffic. As the agents were observing traffic when they noticed a brown Dodge sedan approach their position. As the vehicle passed the agents location, they noticed it contained two male occupants. The driver of the vehicle appeared to become very rigid at the sight of the Border Patrol Agents. Agents (b)(6) (b)(7)(C) then pulled behind the vehicle to gain a better view of the occupants. As the Agents observed the Dodge heading east on Old Castle Road, it reduced its speed well below the speed of traffic. This nervous behavior is common among aliens present in the United States illegally. The dodge then suddenly turned south on Valley Center Road. Suspecting that the vehicle contained illegal aliens, the agents activated the sedan's emergency lights in order to conduct an immigration inspection of the occupants. The dodge yielded in a gas station parking lot, just south of Mirar De Valle Road. At this point both occupants exited the dodge and attempted to abscond.

Agents (b)(6) (b)(7)(C) exited their service vehicle and began to pursue the subjects on foot. The Agents were able to detain both subjects. Agent (b)(6) (b)(7)(C) identified himself as a

(b)(7)(E) (b)(7)(E) Agents (b)(6) (b)(7)(C) were assigned a fully marked service sedan with all emergency equipment in place and fully functional.  At approximately 4:00 p.m., the Agents were parked along Highway I-15, just North of Dear Springs Road. As the Agents were observing traffic headed North on I-15, they noticed a white Dodge truck ((b)(6) (b)(7)(C)) approach their position. As the vehicle passed the agents location, they noticed it contained two occupants. Both occupants appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) (b)(7)(C) then pulled into traffic along Highway I-15 and pulled behind the vehicle to gain a better view of the occupants.

<p>The Agents pulled along the passenger's side window and noticed both occupants refused to make eye contact with them. At this point the Dodge slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The Dodge was now traveling considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the Nissan, still monitoring the occupant's unusual behavior. While being paced by the Border Patrol Agents, the occupants continued to stare straight forward, refusing to acknowledge that they had been pacing the vehicle for some time. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Dodge. The vehicle yielded North on I-15, North of Old Highway 395.</p> <p>Agents (b)(6) (b)(7)(C) exited their service sedan, approached Dodge and identified themselves as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) then asked the Driver, later identified as (b)(6) (b)(7)(C) to state his citizenship. (b)(6) (b)(7)(C) freely admitted to being a citizen of Mexico, present in the United States in violation of law. (b)(6) (b)(7)(C) was not in possession of proper immigration documentation that would allow him to remain in the United States legally. (b)(6) (b)(7)(C) was not in possession of proper immigration documentation that would allow him to remain in the United States legally. (b) (7)(E) near the intersection of Thundernut Lane and Valley Center Road in Valley Center, California.

On Wednesday, March 30, 2011, Agents (b)(6) (b)(7)(C) of the Murrieta Border Patrol station were assigned roving patrol duties for the 2:00 p.m. to 10:00 p.m. shift. Agents (b)(6) (b)(7)(C) were assigned a fully operational service sedan with all lights and emergency equipment visible to the motoring public.

At approximately 4:00 p.m., the Agents were parked on Valley Center Road. As the Agents were observing traffic, they noticed a red Chevrolet pick-up bearing California license plate (b)(6) (b)(7)(C) approach their position. As the vehicle passed the Agents location, they noticed it contained three male occupants. All three passengers appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) (b)(7)(C) then pulled along the driver's side window, to gain a better view of the occupants. The Agents continued to pace the vehicle observing the passengers behavior. All three passengers never acknowledged the Agents presence, though they had been pacing them for some time. Suspecting the passengers were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct an immigration inspection. The vehicle yielded near the intersection of Valley Center Road and Thundernut Lane. Agents (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) approached the vehicle and identified themselves to the occupants as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) asked the occupants of the vehicle to state their citizenship. The two passengers freely admitted to being citizens of Mexico, present in the United States illegally. The driver freely admitted to being a citizen of Guatemala, present in the United States illegally. At this point the passengers were placed in Department of Homeland Security (DHS) custody and transported to the Murrieta Border Patrol Station for processing.

Vehicle left on scene as per driver's request (driver was allowed to call to arrange recovery of vehicle).

This type of action is frequent of illegal aliens when they are startled by Border Patrol presence in that they do not want to be observed. The vehicle then slightly increased its speed to put some space between the agents and themselves. Again, this behavior is common of illegal aliens attempting to keep a distance from observing agents. Due to these actions, the agents pulled in behind the car in order to better observe the occupants.</p>

This type of reaction is common when individuals are involved in illegal activity or are illegally present in the United States and they are approached by law enforcement.</p> <p>At this time, Agent (b)(6) (b)(7)(C) requested records checks on the vehicle through (b) (7)(E) Dispatch.</p> <p>Agents (b)(6) (b)(7)(C) immediately recognized as a city which is closer to the I-5 than the I-15. The agents then became further suspicious of the reasons why the vehicle would be traveling up the I-15 when Tustin is closer to the I-5.</p> <p>At this time, Agents (b)(6) (b)(7)(C) initiated a vehicle stop along the I-15 northbound, and the vehicle yielded just south of the I-15 Checkpoint along I-15 northbound.</p> <p>Agents (b)(6) (b)(7)(C) approached the vehicle and identified themselves as Border Patrol Agents to the driver and passenger. <p>On May 25, 2011 Border Patrol Agent (b)(6) (b)(7)(C) was assigned roving patrol duties along the Interstate 15 corridor. Agent (b)(6) (b)(7)(C) was operating in full uniform in a fully marked Agency sedan.</p> <p>At approximately 2:15 p.m. Agent (b)(6) (b)(7)(C) observed a red Dodge Neon (BC/(b)(6) (b)(7)(C) traveling northbound on the I-15. When the vehicle passed by Agent (b)(6) (b)(7)(C) stationary location near the Old Highway 395 exit, Agent (b)(6) (b)(7)(C) observed that neither the driver nor the visible front seat passenger looked over in the direction of Agent (b)(6) (b)(7)(C). Furthermore, Agent (b)(6) (b)(7)(C) observed that, after passing by the fully marked Border Patrol sedan, the vehicle began to slow its speed significantly, causing other traffic on the roadway at the time to swerve around it. Agent (b)(6) (b)(7)(C) elected to follow the vehicle to further observe the occupants.</p> <p>As Agent (b)(6) (b)(7)(C) approached the vehicle from behind, she observed that the driver again began to slow his speed and began to swerve within his lane of travel. In Agent (b)(6) (b)(7)(C) experience, actions such as this will often occur when an individual is paying more attention to vehicles around them rather than to their own driving. Often, those illegally present in the United States and those involved in illegal activity will react in this manner when approached by law enforcement.</p> <p>As Agent (b)(6) (b)(7)(C) continued to observe the vehicle, she observed that the two individuals in the vehicle were sitting very still and not moving around or talking or interacting with one another. Furthermore, Agent (b)(6) (b)(7)(C) observed that, as she drove alongside both the drivers side of the vehicle and the passengers side of the vehicle, neither the driver nor the passenger would acknowledge her presence. In Agent (b)(6) (b)(7)(C) experience, those involved in illegal activity and those illegally present in the United States will often react in this manner to the presence of law enforcement in an attempt to avoid detection and apprehension.</p> <p>Agent (b)(6) (b)(7)(C) then positioned her fully marked Border Patrol sedan in front of vehicle. Upon doing this, Agent (b)(6) (b)(7)(C) observed that the driver slowed his speed and would not pass Agent (b)(6) (b)(7)(C) marked unit. Agent (b)(6) (b)(7)(C) then began to slow her vehicle to below the posted speed limit and below the normal flow of traffic, and the vehicle still would not pass Agent (b)(6) (b)(7)(C), but rather, continued to slow significantly. In Agent (b)(6) (b)(7)(C) experience, this is a tactic commonly utilized by those involved in illegal activity and those illegally present in the United States in an attempt to put distance between themselves and law enforcement.</p> <p>At this time, Agent (b)(6) (b)(7)(C) requested records checks on the vehicle through (b)(7)(E) Dispatch.</p> <p>Agent (b)(6) (b)(7)(C) then initiated a vehicle stop along the I-15 northbound at the I-15 Checkpoint. Vehicle yielded just north of the I-15 Checkpoint.</p> <p>Agent (b)(6) (b)(7)(C) approached the vehicle and identified herself as a Border Patrol Agent to the occupants of the vehicle. Through brief questioning, Agent (b)(6) (b)(7)(C) determined that the driver, (b)(6) (b)(7)(C) was a citizen and national of Mexico illegally present in the United States. (b)(6) (b)(7)(C) readily admitted to being illegally present in the United States, and stated that he had no immigration documents of any kind, and no</p>

<p>Observation</p> <p>At approximately 08:00 a.m., the Agents were driving east on Rancho California Road, when they noticed a red Nissan pick-up truck stopped at a red light. As the Agents pulled next to the Nissan, they noticed it contained three male occupants, who refused to make eye contact with them. The occupants appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) (b)(7)(C) then pulled behind the Nissan in order to continue to observe the subjects unusual behavior. At this point the Nissan slowed down immensely and the driver turned on its right turn signal. As the Agents also turned on the right turn signal, in order to follow the vehicle, the driver quickly turned the signal back off and continued straight on Rancho California Road. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) became suspicious the occupants were in violation of immigration law.</p> <p>At this point Agent (b)(6) (b)(7)(C) requested through Murrieta Border Patrol Station Communications Office (b)(7)(E) Dispatch) that the displayed California plate, (b)(6) (b)(7)(C), be checked through Department of Homeland Security (DHS) records database. Agent (b)(6) (b)(7)(C) was notified by (b)(7)(E) Dispatch that the vehicle's registered owner is (b)(6) (b)(7)(C) out of Moreno Valley, California. Suspecting the occupants of the vehicle were in violation of immigration law, the agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Nissan. The vehicle yielded on Rancho California Road.</p> <p>Interview/Arrest:</p> <p>Agents (b)(6) (b)(7)(C) exited their service sedan, approached the Nissan, and identified themselves as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) asked the driver to state his citizenship. The driver stated he was a citizen of Mexico, and stated he possessed a Lawful Permanent Resident Card. Agent (b)(6) (b)(7)(C) then asked the passenger, later identified as (b)(6) (b)(7)(C) to state his citizenship. (b)(6) (b)(7)(C) freely and voluntarily admitted to being a citizen of Mexico, present in the United States illegally. Agent (b)(6) (b)(7)(C) then asked the rear passenger, later identified as (b)(6) (b)(7)(C) to state his citizenship. (b)(6) (b)(7)(C) also freely and voluntarily admitted to being a citizen of Mexico, present in the United States illegally. The Agents then placed both subjects under arrest at approximately 08:05 am, and transported them to the Murrieta Station for processing.</p> <p>Processing/Investigation:</p> <p>At the station, a secondary immigration inspection was performed on both subjects. Both again freely admitted to being citizens of Mexico without possessing any legal immigration documents.</p> <p>Also at the station, as a routine step in processing, the subjects had their photograph, biographical, and biometric information entered into processing systems.
